

How to use the Hippocrates Portal

The screenshot shows the Hippocrates Portal homepage. On the left is a vertical navigation menu with links: Homepage, The Project, Reports, Training Events, Training Package, Community, Utilities, Links, Contacts, Exploitation, and National Conferences. The main content area is titled 'Homepage' and contains a welcome message and a list of features. On the right, there is a 'Translation' section with flags for EN, IT, CZ, DE, and LT; a 'Reserved area' with 'Username:' and 'Password:' input fields and 'Login' and 'Create account' buttons; and a logo for 'REGIONE PIEMONTE'.

From the Home Page you can access most of the contents of the portal (e.g. Reports, Best Practices etc.) just clicking on the links.

Some Sections (e.g. Training Package, Community) are accessible only after being registered

Homepage

This Portal has been designed specifically for Trainers who work in the Health Sector who need to "manage their own skills" and respond to the continual evolution of their training needs.

Through the Portal it is possible :

- To better understand Knowledge Management applied in the Health Sector through [Reports](#) analysing the situation in the countries involved (Czech Republic, Germany, Italy and Lithuania) and from a transnational point of view.
- To access a [Database](#) providing interesting information about training initiatives and the application of Knowledge Management method selected in four different European Countries : Italy, Germany, Czech Republic, Lithuania and to a selection of [Best Practices](#) in the field.
- To access the [Self-assessment section](#) that gives to all the trainers the opportunity to assess their own knowledge level measuring it against an "Ideal European Profile" of trainers working in the Health Sector
- To access the complete [Training Package](#) organised in 6 Modules addressed to trainers working in the Health Sector
- To join a [Community](#) of European trainers working in the Health Sector to share knowledge and experiences through a [Forum](#)

To fully access to all the active sections of the Portal (e.g. Training Package, Self assessment, Forum, ecc..) it is necessary to be registered
